Charles B. Wang Community Health Center
New York, NY

This activity is jointly sponsored by Postgraduate Institute for Medicine and HealthmattersCME

Activity Overview

Our Community, Our Commitment

HBV Counseling Toolkit is a unique, multicomponent, CME/CE-certified activity comprised of educational materials to support your counseling efforts with Asian American, Native Hawaiian, and Other Pacific Islander (AANHPI) patients. The toolkit includes counseling guides for the health care provider and informational brochures for your patients on issues that are critical to their understanding of hepatitis B; the importance of preventing, screening, and testing for hepatitis B virus (HBV) infection, as well as vaccinating against HBV; and the need for early diagnosis and treatment of chronic hepatitis B (CHB). An informative video is also included providing guidance on how to screen, test, counsel, and treat your patients. Finally, a resource guide provides additional educational resources on HBV for health care providers and their patients.

Program Components

Our Community, Our Commitment HBV Counseling Toolkit

includes:

- **Four Provider Counseling Guides with coordinated Patient Booklets:**
 - Hepatitis B: Basics & Getting Tested
 - Hepatitis B: Prevention
 - Hepatitis B: Getting Care & Staying Healthy
 - Hepatitis B: Myths & Facts
- The **Our Community, Our Commitment HBV Counseling DVD:** a video demonstration of specific practical approaches to enhancing the screening, vaccination, diagnosis, treatment, and management of Asian patients with HBV in the clinical setting
- The **Our Community, Our Commitment Resource Guide:** a compendium of educational resources on HBV for health care providers and patients

Educational Objectives

Upon completion of this activity, participants should be better able to:

- Outline the CDC recommendations for testing patients for HBV
- Link patients to vaccination or follow-up care
- Counsel patients on screening, immunization, and follow-up care for CHB

Target Audience

This activity has been designed to meet the educational needs of physicians, physician assistants, nurse practitioners, and registered nurses involved in the care of patients at risk for HBV infection as well as those infected with HBV.

Physician Continuing Medical Education

Accreditation Statement

Postgraduate Institute
for Medicine

healthmatterscme
A CONTINUING MEDICAL EDUCATION COMPANY

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Postgraduate
